

Early Care Workgroup meeting Minutes

July 19, 2010 Quiznos

Present: Kelly Williams, Brooke Rains, Becky Gilleylen, Danielle Stepp, Amanda Duvall, Lisa Eack,

We have completed the survey and sent it to parents, providers and center directors. The results are back. We spent the majority of the meeting going over the results of the surveys. We began to compile a list of high quality care standards according to provider/center director results.

5-10 components so far are (not in order):

- Loving staff
- Age appropriate activities
- Environment is safe, clean, & stimulating
- Staff/caregiver is trained and educated in the Early Childhood field

An asterisk will be used on the LGS website denoting the difference between licensed/unlicensed care, & what licensing requirements are pertaining to it.

Next meeting will be August 23 at 5:30 at Human Services Building (Lenawee room) No one will be attending the LGS meeting on August 24
