GOAL: Parents are advocates for their children's success and well being.

Objective 1: Parent's access to Kindergarten readiness information that is consistent throughout the county.

Strategies:

- 1) Examine existing Kindergarten readiness skill list.
- 2) Find common themes & develop core list of readiness skills with help of local educators.
- 3) Recommend adoption of core Kindergarten readiness skills

Action Steps:

- Reviewed Kindergarten readiness lists that were received to find common threads.
- Compiled information to provide a comprehensive kindergarten readiness list (completed)
- Looked at a way to link the Michigan Glic to the skill set to ensure continuity and purpose.
- Brainstormed ideas for layout, verbiage, and graphics to make it user friendly.

Next Steps:

Sally Oliver is going to work with her Kindergarten team to attach the Michigan Glic to skill set.
