What we are about...

Sprouts Learning Center will fulfill it's mission by following Biblical principles. We will help children....
...LEARN to their fullest potential.

("I will grow by doing my best in all that I do.")

"Work hard so God can approve you. Be a good worker, one who does not need to be ashamed and who correctly explains the word of truth."
2 Timothy 2:25

...EXPLORE new adventures.

("I will grow by being strong and courageous.")

"Be strong and courageous. Do not be terrified, do not be discouraged. For the Lord your God is with you wherever you are." Joshua 1:9

...GROW in their faith.

("I will grow by trusting God.")

"May the God of hope fill you with all joy and peace as you trust in Him."
Romans 15:13

...CREATE meaningful relationships.

("I will grow by being a good friend.")

"Dear friends, since God loved us that much, we surely ought to love each other."
1 John 4:11

The team at *Sprouts* will create and implement age appropriate programming for the children enrolled. These principles listed above will be taught and nurtured through activities that enhance a child's physical, social, emotional and intellectual and spiritual development.

Infants and Toddlers

A warm, loving and nurturing environment describes our Ladybug room. Children ages 6 weeks through 30 months enjoy age appropriate activities that are developed and implemented by our certified, caring staff.

Preschool

It's always a fun time learning at *Sprouts*! Each day, children learn through hands-on activities that nurture all areas of development. Our daily schedule includes circle time, art, large motor play, centers, devotionals and snack.

Our Butterfly room is for 2 1/2 to 3 year olds. In this class, we focus on social skills as well as introducing colors, numbers, letters and shapes.

Four and five year olds enjoy their day in the Firefly room. The Firefly class will emphasize on Kindergarten readiness. Our goal for your child is a smooth transition from daycare to school!

The focus of our KinderPrep class is to equip students with the skills needed to enter Kindergarten. Start your child on the right track to enjoy learning and make the transition to Kindergarten smooth.

School Age

Our before and after school program keeps the minds of your child active while still providing that down time that kids need after a long day of school. Each week has a theme of learning incorporated into centers. Daily centers include arts and crafts, music, devotional, science, and more! There is also time for large motor activities and homework.

Summer camps, field trips and other activities are planned to keep kids moving and thinking.
